Hello Home Doctor Service is an after-hours Medical Deputising Service established to support the needs of our local community.

Our Doctors care for you on behalf of your usual GP by providing home visits in the after-hours. We provide care when you cannot wait to see your regular GP the next morning or your condition is not serious enough to present to the Emergency Department.

Hello Home Doctor Service and its team of dedicated Doctors are committed to ensuring continuity of care by working in conjunction with General Practices, nursing homes and aged care facilities.

A copy of the patient report is provided to your regular GP in a timely manner and we encourage all patients to make an appointment for a follow up consultation if your condition does not improve.

CONTINUITY OF CARE

Hello Home Doctor Service is an after-hours Medical Deputising Service established to support the needs of our community.

Our Doctors care for you on behalf of your usual GP by providing home visits in the after-hours. We provide care when you cannot wait to see your regular GP the next morning or your condition is not serious enough to present to the Emergency Department.

Hello Home Doctor Service and its team of dedicated Doctors are committed to ensuring continuity of care by working in conjunction with General Practices, nursing homes and aged care facilities.

A copy of the patient report is provided to your regular GP in a timely manner and we encourage all patients to make an appointment for a follow up consultation if your condition does not improve.

COMMITMENT

Hello Home Doctor Service is committed to providing patients with expert after-hours health care in their homes.

Our Service provides care to all patients regardless of their gender, race, disability, Aboriginality, age, religion, ethnicity, beliefs, sexual preference or medical condition.

Patient care in the after-hours period is our number one priority.

SERVICE DELIVERY

Hello Home Doctor Service is an accredited Medical Deputising Service providing after-hours primary care to Patients at their home or in an aged care facility on behalf of their Regular GP.

Our operating hours are governed by the Department of Health and can only accept bookings between the hours of 6pm to 8am on weekdays, the hours before 8am and from 12 noon onwards on Saturday, all day Sunday and Public Holidays.

Whilst every effort is made for Patients to be seen in an appropriate timeframe, please understand that circumstances can arise where Doctors are held up with Patients. All emergencies will be referred to "000" or the nearest hospital for medical attention.

All calls will be triaged as per the Department of Health guidelines and Patients requesting a visit for clinical matters that are outside the scope of deputised care will be referred back to regular GP for follow up care. Examples of clinical matters that are outside the scope of deputised care include:-

- Health promotion activity that requires ongoing care
- Management of chronic disease
- Procedures that require resuscitation facilities
- Procedures that may need a Chaperone, good illumination or specific equipment + Certification i.e. Driving Licence medicals

MEDICAL INFORMATION & PRIVACY

Hello Home Doctor Service believes that maintaining your privacy is as just important as maintaining your health, as such, your medical records are stored safely in our system.

Our Service follows the Australian Federal Privacy Laws and Standards for the private health sector. As your patient report is forwarded to your nominated General Practitioner or medical centre, we encourage you to contact your medical centre to access a copy of your patient health records.

Our Service has a more comprehensive Privacy Act Policy that you are welcome to read upon request.

BILLING POLICY

Hello Home Doctor Service bulk-bills* patients registered with Medicare or Veterans Affairs (DVA) for home visits.

For telehealth bookings, bulk billed* consultations apply if a patient meets COVID criteria as set by the Department of Health. Otherwise, a charge may apply. This will be confirmed by the operator at the time of booking.

Alternatively, if not registered with Medicare but private health insurance (including international students with overseas student health cover – OSHC) is available with an accredited insurer, the payment will be processed directly via your healthcare provider. Accredited insurers include Allianz, Medibank, NIB, Bupa and AHM.

Otherwise, a payment of \$200 will be incurred and payment is required via credit card at the time of booking. We do not accept cheques.

*eligibility criteria may apply
