CONTINUING YOUR GP CARE IN THE AFTER HOURS

Hello Home Doctor Service is a fully accredited Medical Deputising Service provider and is committed to providing patients urgent after-hours medical services at place of residence or aged care facility on behalf of the regular GP.

We come to you. Patient care in the after-hours is our number 1 priority. Hello Home doctor Service bulk bills * all patients with valid Medicare and DVA Cards.

Hello Home Doctor Service is open After Hours, Weekends and Public Holidays.

Our dedicated team of doctors is fully equipped to offer quick and professional medical assistance in the comfort of your own home. Whether you're experiencing respiratory issues, general illnesses, or flu symptoms, our at-home doctor service is here to help.

Compassionate Care in the Comfort of Your Home

We prioritise your well-being and convenience. Our in-home doctors will assess your health and provide appropriate medical advice and prescriptions.

This ensures you receive timely treatment until your regular GP can provide a comprehensive analysis of your health.

With Hello Home Doctor, you can avoid the hassle of crowded emergency departments and hospitals.

Why partnering with Hello Home Doctor Service is important

Hello Home Doctor Service is a fully accredited service that complements rather than competes with general practices. We extend your practice's care into the after-hours, ensuring seamless, reliable patient care by:

- ✚ Offering after-hours visits for your patients.
- ✚ Focusing on servicing areas where your practice's patients live.
- ✚ Collaborating with you to continue patient care when you're unavailable.
- ✚ Assisting in managing documentation for PIP incentives.
- ✚ Helping communicate after-hours arrangements to your patients.
- ✚ Promoting ethical Medicare use and adhering to Department of Health after-hours guidelines.
- ✚ Providing GPs in partnered practices with after-hours involvement opportunities.
